

Welcome back!

Welcome back, we hope you had a great summer, or if you're new to the school then hello!

We exist as a PSA to fundraise for the school, and ensure our school pool keeps running without having to take funds from the school budget. So with your termly contributions and our fundraising we try our hardest to keep everything afloat!!

Have you heard of Asda Rewards, on the app you can add our school and 0.5% of your basket spend is donated to the school. it's so easy to sign up. More details are on the PSA Facebook page. So far we've raised £131 with 85 days to go!
