'Leaders make effective use of the additional funding they receive to support pupils who have special educational needs (SEN) and/or disabilities. Leaders have an in-depth knowledge of the needs of these pupils and put detailed plans in place to support them. The plans are monitored rigorously and adjustments made where necessary. As a result, these pupils are making good progress'. **OFSTED 2018**

Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ SEN Network meetings
- ✓ Visit nurseries and Early Years settings to meet new intake, meet with parents of children with SEN to assess their needs and make plans for appropriate provision in the new academic year.
- Transition days, both to and from Tywardreath school
- ✓ Providing opportunities for curriculum days and include children with SEND
- ✓ Working with other schools within our trust

This year, 6 children requiring SEN Support came to us from our partner schools. 9 children on our Record of Need in 2022/23 made a successful move to our partner schools.

We support the transition from year group to year group by organising early transition opportunities for those children who need it, in addition to the 'whole school' transition process. For children with SEN, transition is individualised for those who need it and can include, home and pre-visits to the new learning environment, social stories about moving to the next class, additional opportunities for children to bond with the new teachers and teaching assistants, as well as transition books and visuals which can be taken home during the summer holidays.

The transition from year 6 to secondary school is supported through sharing important SEN information and data, including previous and current provision maps/targets, list of interventions

undertaken, involvement of external agencies and opportunity for children to visit their new school on more than one occasion, getting to know daily routines, the areas of the school, etc.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEND Development/Action Plan.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should refer to our complaints policy on our website.
