## National Year of Reading 2026

"The National Year of Reading 2026 is a UK-wide campaign designed to help more people rediscover the joy of reading."

We are really excited to be taking part in this initiative this year. We have 12 months planned of activities, events, competitions and fun! Please keep an eye on the diary dates section for events inviting you into school to share some of these events with us and your children.

If you'd like to find out more about the initiative, you can visit the following website: [National Year of Reading 2026 | Go All In](https://www.nationalyearofreading.org/)

Year 3 and 4 had a fantastic time at Wheal Martyn this week! A fascinating trip to learn all about the mining of China Clay. The children's behaviour was brilliant and they asked lots of curious questions. Thank you to our parent volunteers for all their help!

## Online Safety Newsletter February 2026

### CBeebies Parenting and Apps

CBeebies Parenting is full of useful information from creative activities, recipes and information about the CBeebies apps.

CBeebies apps are free to download with no in-app purchases. Their apps include:

- Playtime Island - Fun Games for Kids App. This app includes 40 free games.
- CBeebies Learn - Early Years Learning App. This app includes games and videos and is based on the Early Years Foundation Stage curriculum.
- Get Creative - Open-ended Creative Activities App. This app is free and includes lots of drawing and painting activities.
- Storytime - Reading Stories App. This app includes interactive story books.

You can find out more here:

<https://www.bbc.co.uk/cbeebies/parenting>

Would you like to read this newsletter in a different language? You can use the translate tool on our web version: <https://www.knowsleycitycs.org.uk/february-2026-primary/>

### Using AI to alter images

AI image generator and moderator tools are widely available and often used by children. Whilst these tools can be used for creative purposes, we need to ensure our children are aware of the appropriate way in which to use them and the circumstances when they should not be used, even if harm is not intended.

#### What are AI image generator and moderator tools?

It is when Artificial Intelligence is used to create or modify images, for example it could be used to swap faces, change expressions or for more sinister reasons, such as to remove clothes. These images are often very realistic and therefore difficult to see that they are fake.

#### Privacy concerns and consent

If your child is using these tools, they need to be aware of potential loss of privacy and the importance of consent. They should know that they should only use images of other people with consent.

#### What does my child need to know about using these tools?

- Children shouldn't use AI tools to manipulate images of school staff. Even if the child's intention is not malicious, children should not use AI tools to create or edit photos of teachers under any circumstances.
- Manipulation of images of friends or other children – if you are using images of other people, then consent **must** always be sought.
- The tools should not be used to create images that can embarrass or hurt others - this is a form of online bullying.
- Copyright issues – who owns the copyright? These images could be reused by others, which can affect their own digital footprint.

#### What should I do?

- Chat to your child if they are using these tools and ascertain the reason why. Ask them to show you the images that they have created.
- Check the age ratings of any apps/websites that your child is using and set up appropriate parental controls.
- Develop your child's digital literacy by teaching them to recognise online risks and to behave responsibly online.

# TikTok

**You must be over 13 years of age to use TikTok.** TikTok is a social media platform for sharing and watching short video clips. If your child is using TikTok then make sure appropriate security / privacy settings are applied.

## Account set up

It is important that your child enters their real date of birth as accounts are tailored by age e.g., Direct Messaging is disabled for accounts aged 13-15. In addition, advertisements are tailored by age. By default, accounts for people under 16 are set to private. You can read more about the other settings available, such as switching off comments and restricted mode here: <https://support.tiktok.com/en/account-and-privacy/account-privacy-settings/privacy-and-safety-settings-for-users-under-age-18>

## Family Pairing

Family Pairing allows you to link your own account to your child's account. You can then set controls such as restricted mode or tailor your child's 'For You' feed by selecting keywords that TikTok will use to filter out posts. You can find out more here: <https://support.tiktok.com/en/safety-hc/account-and-user-safety/family-pairing>

## What do I need to be aware of?

- **Inappropriate content and themes:** whilst against guidelines, explicit and inappropriate content can be found on this platform, for example nudity/sexual content and hate speech. Some of the songs available to lip sync to may contain inappropriate lyrics/themes.
- **Challenges:** We often see viral challenges on social media, some of which can be **risky/dangerous**. Sadly, there are reports that children have died whilst attempting online challenges. Children may not yet have developed the skills and ability to critically analyse that what they see online is not always safe for them to replicate.
- **Stranger contact:** chat to your child about how people may not be who they say they are when online.

## Refresh your feed

You can refresh your "For You" feed to update the content recommended: <https://support.tiktok.com/en/account-and-privacy/account-privacy-settings/refresh-your-for-you-feed>

## Blocking and Reporting

Show your child how to use the safety features available.

## IMPORTANT CHANGES TO THE LAW REGARDING PENALTY NOTICES FOR UNAUTHORISED ABSENCE FROM SCHOOL

A new National Framework for Penalty Notices for school absence, including unauthorised holiday absence, is being introduced following changes to the law. These new Government regulations will come into effect from 19 August 2024 and will affect when penalty notices are issued in Cornwall.

### What are the changes?

There will be a new national threshold of 10 unauthorised sessions for any reason (equivalent to 5 school days) within a rolling 10 school week period for when a penalty notice must be considered.

The new rules mean you will no longer be able to take your child out of school for one week's holiday without the consideration of a penalty notice being issued.

There will be an increase in the penalty fine from £60 to £80 if paid in 21 days. If the fine is not paid within 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty fine is issued to the same parent for the same child within a 3-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a 3-year rolling period, the local authority will need to consider other enforcement options available to them. This could include prosecution.

Please see FAQs below with more information about how the new rules may affect you.

### FAQs

**If I have been issued with a penalty notice before 19 August 2024, will this be counted if I am issued with another penalty notice from September onwards?**

No, the new limits come into effect from 19 August 2024.

**If I have already booked a holiday for next year, could I receive a penalty fine at the new higher rate?**

Yes, absence from school can only be agreed when the explanation of the leave of absence is considered as exceptional circumstance by the Head Teacher.

### Who can be issued with a penalty notice?

Each parent can receive a fine for each child who has had unauthorised absence from school.

In education law, anyone who lives with a child and who has day-to-day care of the child is also considered to be a parent whether they are the biological parent or not. This will include step-parents and partners.

### Do the new rules only apply to holidays during term time?

No, it applies to all unauthorised absence from school including holidays. Unauthorised absence includes other absence that has not been agreed such as truancy, arriving late after the register has closed and failing to provide acceptable reasons for absence.

### How do I request for my child to have leave granted during term time?

You must submit a Leave of Absence Request form to the Head Teacher before the proposed absence (a minimum of 15 days before the Leave of absence is due to commence). Each request will be considered on its own merit, but where the leave of absence could be taken outside of the school term the absence will not be authorised. Do not assume that the absence will be granted until you have received confirmation from the school.

### Do the 10 sessions of unauthorised absence have to be taken all at the same time before a penalty fine is issued?

No, a penalty fine can be issued for any combination of absences over a 10-week rolling period. They can be consecutive or non-consecutive and can span over two terms (including between academic years).

### What happens if I am issued with a penalty fine and I don't pay it?

Unauthorised absence from school is an offence under S444 of the Education Act 1996. A penalty fine is an opportunity for you to settle out of court. If you don't take this opportunity, you can be prosecuted for the offence of failing to ensure your child's regular attendance.

### What should I do if I am worried about my child's attendance?

Please contact us to arrange a meeting to discuss how we can support you to improve the situation.

***If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days. Failure to pay the Penalty Notice may result in legal action. Absence not authorised by the school may result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Cornwall Council may also apply for the costs incurred in taking the matter to Court.***
