1 Leave of Absence Policy

- 1.1 Truro and Penwith Academy Trust acknowledges that there will be occasions when employees will need to request leave for domestic and personal matters or are required to be absent from duty for essential civil and public duties. The purpose of this policy is to clarify the conditions and approach under which leave of absence may be requested and taken, to ensure a fair and consistent approach to requests for leave of absence and to establish clear guidelines. The Trust will act within the law at all times when complying with statutory entitlements to leave of absence.
- 1.2 Equality and Diversity: The Trust treats equality of opportunity seriously and has a clear and transparent policy that is applicable to staff, in order to promote and ensure equality of opportunity. All staff are required to read and understand this procedure.
- 1.3 The Trust values the wellbeing needs of all employees and will endeavour to support all those who require time off work to manage emergency situations.

2 Introduction

- 2.1 Any leave of absence taken by school employees causes disruption to learning, requires additional organisation and incurs additional cost. Whilst the Trust understands and accepts that certain circumstances mean it is necessary to request leave, employees are asked to note that they have a contractual obligation to work during the school term. Employees are therefore requested to be mindful of this obligation, and as far as reasonably practicable should minimise the need to request leave.
- 2.2 This Policy applies to requests for leave from work for the following reasons:
- Compassionate Leave;
 - Family Emergencies;
 - Domestic Emergencies;
 - Public Duties;
 - Jury Service/Witness Duty;
 - Service in the Volunteer Reserve Forces;
 - Other Leave.
- 2.3 Other requests for leave - for example, maternity or adoption leave, paternity or maternity support leave, parental leave will be dealt with by other policies.
- 2.4 Please note that none of the leave provisions outlined below form part of a contractual entitlement and may be amended, withdrawn or varied at the discretion of the Trust.
- 2.5 All requests for leave must be put in writing to the Headteacher or Head of School (or in their absence to the Senior Deputy Headteacher or equivalent). **Ten days'** notice as a minimum is required for planned leave (non-emergency).
- 2.6 When considering requests, the Headteacher will consider both the individual circumstances of the employee and the impact of the absence on the pupils and the school. It should be clear to employees that previous decisions will not set a precedent for future decisions and that all requests will be considered sensitively and confidentially.

2.7 Whilst every effort will be made to accommodate requests where possible, employees should note that there may be occasions where the Headteacher will not be able to agree the leave and the request will be declined.

2.8 Leave of absence may be paid or unpaid.

3 Compassionate Leave

3.1 Whilst there is no contractual right to compassionate leave, the Trust want to provide support to staff when they need it. The Headteacher will consider agreeing paid absence for a period of up to **2 weeks** to allow members of staff to attend to matters relating to the death or serious illness of a close relative. In the case of a relative or close friend, up to 3 days paid leave will be given. Further compassionate leave may be granted by the Headteacher who will consider, on a case-by-case basis, granting up to 6 weeks unpaid leave depending on circumstances.

3.2 Should the need for time off continue after the initial agreed period of compassionate leave, other options may be considered with the member of staff, which may include unpaid leave.

3.3 Other circumstances: **1 day's** paid leave may be agreed to attend a funeral. This is a guideline for staff, however as above, further compassionate leave may be granted by the Headteacher on a case-by-case basis. A further 2 days paid leave may be granted for funerals out of county where travelling is required.

3.4 In the case of terminal illness of a partner or close relative, if the employee is the main carer 2 weeks paid leave may be taken as appropriate. Up to 12 weeks unpaid leave may be taken by the employee when needed.

3.4 Applying for Compassionate Leave: Staff must notify the school as soon as is reasonably practicable as to the reason for their absence, and with how long they expect to be away.

4 Family Emergencies

4.1 Time off for dependents: the employee must inform the Headteacher / Head of School or Cover Coordinator of the reason for their absence and how long they expect to be absent as soon as is reasonably practical i.e., where possible, by 7.30 am. If the member of staff needs to leave work during a working day, a member of the Leadership Team must be consulted.

4.2 A dependant may be a partner, child or parent, or someone who lives with the member of staff as part of their family, e.g., a grandparent. In cases of illness or injury, or where care arrangements break down, a dependant may also be someone who reasonably relies on the member of staff for assistance or where they are the primary carer.

4.3 Under this policy, the Headteacher may agree up to 1 weeks paid leave (if part-time this will be a pro-rata week) in a rolling year to assist them in managing the illness/support of dependents and relatives.

4.5 Applying for leave: The member of staff must notify the school as soon as is reasonably practicable as to the reason for their absence and how long they expect to be away.

5 Domestic Emergencies

5.1 The Trust does understand that a member of staff may need to ask to take a reasonable period of time off work to deal with a genuine domestic emergency.

5.2 What is considered a 'domestic emergency'? Examples of some situations which may be considered an 'emergency' are burglary, vehicle theft, vehicle accident, emergency repairs to the home after flooding or fire.

- 5.3 Leave arrangements: There is no statutory right to paid leave to deal with domestic emergencies, and it is anticipated that any leave given would be unpaid and generally expected to be **1 working day**, although the amount of leave which may be approved will depend on the circumstances.
- 5.4 Applying for leave: The member of staff must notify the school as soon as is reasonably practicable as to the reason for their absence and how long they expect to be away.

6 Public Duties

- 6.1 Members of staff who hold certain positions are entitled to reasonable paid leave during working hours to carry out certain public duties with the prior approval of their line manager. What is considered under public duties? This includes e.g., Magisterial, a member of the Police Authority, Health Authority, NHS Academy, Local Authority, Board of Visitors (Prisoners), School Governors, Local Council duties, Environmental Agencies or Statutory Tribunals.
- 6.2 Staff can take reasonable time off during working hours to carry out these duties with the prior approval of their line manager e.g. attend meetings of the body or any of its committees or sub-committees, to perform duties approved by the body for the purpose of discharging its functions or those of any of its committees or sub-committees. New starters who already hold a position within a relevant public body, or members of staff who take up such a position, should provide written notification to the Headteacher upon doing so.
- 6.3 Applying for leave: The employee should give the school as much notice as possible of any duties/training for which they wish to take leave. Leave requested at short notice may not be granted.

7 Jury Service / Witness Duty

- 7.1 The Trust will support members of staff who are called up for Jury Service/Witness Duty and they will be entitled to paid leave to attend court for periods of up to **4 weeks** unless they are granted exemption from attendance. As they will be paid their full salary there will be no requirement for members of staff to claim loss of earnings from the Court.
- 7.2 Staff allocated to cases which are expected to extend beyond **4 weeks**, should claim for loss of earnings up to the daily permitted maximum amount. Prior to commencing Jury Service/Witness Duty, the Court Service will provide the individual with a 'Loss of Earnings' form. If allocated to a case which is expected to extend beyond **4 weeks** the member of staff should pass this form to their line manager, who will check the daily pay of the individual with the Payroll Team and complete the 'Loss of Earnings' form for the appropriate amount.
- 7.3 Leave arrangements: During the period in which a member of staff is attending court, they will be expected to attend work on any full day when they are not required in court. Where a member of staff is not required in court for part of a day, they will be expected to attend work if it is reasonably practicable for them to do so (for example, taking into consideration travel from the court to work or vice versa).
- 7.4 Applying for leave: As soon as a member of staff receives notification that they are required to attend court they should inform the school. This will also ensure that, where necessary, arrangements can be made to cover their absence.

8 Service in the Volunteer Reserve Forces

- 8.1 The Trust values the experience and skills gained by members of staff who are reservists and although there is no statutory right to leave, the Headteacher may therefore grant either paid or unpaid leave, or a combination of both.
- 8.2 Notification of membership of the Reserve Forces: Under the Employer Notification procedure (established April 2004) anyone who joins the Reserve Forces, or seeks to renew their commitment, must permit the Ministry of Defence to contact the Trust directly to confirm this. New members of staff should give written

notification to their Headteacher that they are members of the Reserve Forces. Existing members of staff who wish to become reservists should provide similar notification.

- 8.3 Leave arrangements: The Trust will consider paying up to **5 days** of leave (pro-rata for part time staff) **within any 12-month period** (commencing on the first day of leave). Any other reasonable leave requested in excess of these days, will be considered by the Headteacher and if approved could be on a paid or unpaid basis.
- 8.4 Applying for leave: Members of staff should give the Headteacher as much notice as possible of any duties/training for which they wish to take leave.
- 8.5 Arrangements in the event of Mobilisation: Mobilisation is the process of calling Reservists into full-time service with the Regular Forces to play an essential part in military operations. Under the provisions of the Reserve Forces Act 1996 all Reservists are committed to this possibility if required.
- 8.6 Although there is no statutory requirement for a warning period prior to mobilisation, the Services aim to give employers and their Reservist member of staff a full **28 days' notice** of the date when they must report for duty. However, in the event of short-notice operational mobilisation, as little as **7 days' notice** may be given. The total period of mobilisation can range from **3 months or less up to a maximum of 12 months**. It is anticipated that the member of staff will be placed on unpaid leave, and they should inform the Headteacher of how long the mobilisation period is likely to last if this is known. If this information is not available, decisions will be made on the assumption of the **12-month** maximum period.

9 Other Leave

- 9.1 Any member of staff may apply for leave from the Trust regardless of role and length of service, for reasons not covered elsewhere in this policy. There is no statutory right to leave in these cases, but where possible the Trust wants to support staff with reasonable requests.
- 9.2 Some common requests for leave are listed below. This is not intended to be an exhaustive list and other requests may be made:
- Graduation ceremony (own or children/dependants) – **1 day paid (with up to 2 additional unpaid days if travelling out of County)**;
 - External Interviews - **Paid leave for the duration of the selection process** (the expectation is that this would not be used in excess in any 12-month period and this right ceases once a job offer has been made and the employee has given notice to terminate their contract.
 - Religious festival attendance – annual leave may be used, or unpaid leave may be taken if it is reasonable and practical for the employee to be absent from school.
 - Selection for County/National teams – 1 paid day's leave, any additional days for travelling to be unpaid.
 - Medical Appointments should be made where possible outside school working hours. If unavoidable time off with pay will be given in school hours for dentist, doctor or other medical appointments.
 - Moving House - 1 school day's paid leave, dependent on circumstances. Where possible, this should be arranged for holiday time.

9.3 Medical treatment:

- Some hospital appointments may unavoidably be scheduled within school hours, in which case the necessary time will be given with pay;
- Optician and dental appointments – should be made outside school hours, except in an emergency, in which case necessary time will be given with pay;
- Elective surgery – should be made outside the school terms. If this is unavoidable the request will be considered on an unpaid basis.

9.4 Extended period of absence:

- Requests for an extended period of leave, including leave for sabbaticals, exchanges, training, pilgrimages and voluntary work, should be by written application to the Headteacher giving at least a **full term's notice** and preferably as much notice as possible. If agreed, any leave given will be unpaid.

9.5 Applying for leave: The member of staff must notify the school as soon as is reasonably practicable as to the reason for their absence and how long they expect to be away.
