Dear Parent and Carers,

We thought it was time to update you on the swimming pool.

Currently we are working through viable solutions to a leak that was identified at the end of last term. Unfortunately we have had to wait for appropriate engineers to become available and thankfully this week Apex have attended to carry out a series of pressure tests to isolate the problem. Once this work is completed we will be in a better position to know what our next steps are.

Thank you for your patience thus far.

We will keep you updated with the progress we make.

Mrs Claire McColville
